

**Host entrepreneur:** Carlos Blanco – Blanco and Gomez Wine Merchants – UK

**New entrepreneur:** many from Croatia, Spain, Italy, Ukraine...

Carlos has been one of the committed hosts to the programme, hosting different new entrepreneurs from countries all over Europe and sharing his time and expertise on how to develop a business.

He also benefited from the participants as it should be. The hosts give a lot but also learn a lot from the new entrepreneurs.

Carlos reported that his business has improved and expanded thanks to the programme. He also developed his online presence thanks to the knowledge of some of the new entrepreneurs staying with him.

A very valued host by the new entrepreneurs who collaborated with him.
